

FOODBANK VICTORIA
ANNUAL
SNAPSHOT

2017-
2018

2

CEO'S MESSAGE

DID YOU STRUGGLE TO PUT FOOD ON THE TABLE IN LAST 12 MONTHS? IF YOU DID, YOU WERE FAR FROM ALONE.

Our 2017 Hunger Report found 3.6 million Australians had experienced food insecurity at least once in the previous 12 months. For 60 per cent, it was a monthly occurrence. Over a quarter of these individuals said it was happening at least weekly.

How can this be? In a developed country rich with resources, a healthy economy and progressive culture, how is this happening?

Look a little closer and you'll see the disparities. We grow more than enough food – in fact we export about 65% of farm produce – yet people are going hungry. Our economy is strong, yet household debt levels are among the highest in the world. And what has happened to values like tolerance, empathy and collective responsibility for our society and environment?

In the last year, food insecurity – and food waste – came into the public consciousness at a level I've not seen during my decade at Foodbank.

It started in July with the ABC series War on Waste, which shocked the nation by exposing us to the realities of our consumer culture. A segment on Foodbank resulted in a flood of enquiries – individuals wanting to volunteer and donate food or funds to help.

In October, our Hunger Report gained traction in the media. The high cost of living and bill shock were identified as the main causes of food insecurity. As the report found, everyday working Australians are now going without food in order to pay other bills.

Reports coming out of the social services sector painted a stark picture too.

“

IN THE LAST YEAR, FOOD INSECURITY AND FOOD WASTE CAME INTO THE PUBLIC CONSCIOUSNESS AT A LEVEL I'VE NOT SEEN DURING MY DECADE AT FOODBANK.

”

DAVE MCNAMARA
CEO FOODBANK VICTORIA

The Australian Council of Social Service Inequality in Australia 2018 report found wealth inequality is increasing, with the richest income earners in Australia now owning more than 60 per cent of the wealth, while the poorest have less than one per cent.

The Salvation Army's Economic and Social Impact Survey found the average Newstart recipient is living off just \$17 a day after accommodation expenses.

And Anglicare's Rental Affordability Snapshot found a chronic shortage of affordable rentals. Not one Melbourne rental property was found to be affordable for a single person on Newstart or Youth Allowance.

In April, we released our Rumbling Tummies report – looking at child hunger in Australia. The stats were horrifying: more than 1 in 5 children in Australia live in a food insecure household. In fact, it is more likely for a child to be food insecure than an adult.

While dialogue and discontent about the issue grows, our charity partners are dealing with greater numbers of children, adults and aged pensioners requiring assistance – and we are facing an increasing demand for food.

We won't be discouraged.

FOOD

Our Food Team continues to work tirelessly to bring in more food. See page 4.

SCHOOL BREAKFAST CLUBS

Our School Breakfast Clubs Team continues increasing the opportunity for children to learn by delivering healthy breakfasts into 500 state primary schools. In June, a major milestone was reached with 5 million breakfasts served since the program commenced in 2016. See more on page 6.

COMMUNITY PROGRAMS

Our Community Development Team continues to work closely with our 459 charity partners across Victoria, deliver Farms to Families pop-up markets, and develop and implement targeted new programs to tackle hunger – like our new Essential Pantry program. See page 8.

OPERATIONS

Our Operations Team continues to adapt for growth, expanding our warehouse capacity, recruiting a new regional transport provider and transitioning 40% of our power usage to solar energy. See page 12.

VOLUNTEERING

Our Volunteering Team continues to provide the manpower – more than 25,000 hours from 2189 individuals in 2017/18!

And the rest of our team continues to provide the support to help make it all possible. Our engagement with the community is growing. We were selected by ABC Radio Melbourne as their charity partner for 2018. We're partnering with more corporates, and in March we held our first corporate cycling challenge to raise funds – The Hunger Ride. See page 10.

As we head into our 89th year providing emergency food relief to vulnerable Victorians, my thanks must go to the amazing team that makes it happen – 49 staff members, 2189 volunteers, 459 charity partners, 460 food donors, 240 food drive organisers, 6398 financial supporters – including the Victorian Government – our Board chaired by Dorothy Coombe, and our Patron the Hon. Linda Dessau AC Governor of Victoria.

Sadly, food insecurity will continue to be a problem while the root causes go unaddressed. Until we can unite on solving these complex issues, Foodbank must exist to serve the growing population falling on hard times.

A handwritten signature in black ink that reads 'Dave McNamara'.

DAVE MCNAMARA

FOOD IN, FOOD OUT

SOURCE, RESCUE, FEED, NOURISH.

2017-2018

8.4 MILLION
KILOGRAMS OF FOOD
= 15 MILLION
MEALS

Thanks to the generosity of our supporters across the food and grocery sector, we were able to distribute more than 8.4 million kilograms of staple, fresh and frozen foods in 2017/18 – the equivalent of providing more than 15 million meals.

The amount of fresh produce, fruit and vegetables increased by 55 per cent to more than 1.9 million kilograms. With people experiencing food insecurity often reliant on cheap nutrient-poor food, providing nutritious produce is core to our vision of healthy food for all.

In addition to food, we also distributed almost 400,000 kilograms of personal hygiene and household items, which are in high demand.

IN 2018/19 WE HOPE TO SOURCE EVEN MORE FRESH PRODUCE AND PERSONAL HYGIENE ITEMS TO ASSIST THOSE IN NEED.

IT JUST HELPS US GET THROUGH A COUPLE OF WEEKS AND HELPS US KEEP THE BILLS DOWN IN DOING SO; AND GETTING FRESH FOOD IN TO KEEP US A BIT HEALTHIER AS WELL.

DYLAN, RECIPIENT AT A FARMS TO FAMILIES POP-UP MARKET

SCHOOL BREAKFAST CLUBS

**HEALTHY
BREAKFASTS =
BETTER ENGAGEMENT
AND LEARNING
IN THE CLASSROOM.**

“

**THANKS FOR ALL
THE YUMMY FOOD.
MY FAVOURITE
ONE IS FRUIT CUPS**

”

**HAMISH, SCHOOL BREAKFAST
CLUB ATTENDEE**

Photo: Jason Edwards, Newspix

In June 2018, our School Breakfast Clubs program reached a major milestone. Minister for Education James Merlino visited Morwell Park Primary School to mark 5 million breakfasts served since the program commenced in 2016.

There are now up to 50,000 breakfasts being served each week in 500 of Victoria's most disadvantaged state primary schools. But what is this achieving?

In March an interim program evaluation report was released by Victoria University. Among the findings from the second full year of the program:

- 81 per cent of schools reported improved concentration as a result of students attending Breakfast Club
- 76 per cent reported improved social relationships
- 72 per cent reported improved engagement in classroom activities
- 70 per cent reported improved behaviour.

In May it was announced the Breakfast Club menu would expand to include Vegemite and honey from Term 3, 2018. In keeping with the all Victorian-manufactured menu, the honey is being sourced from Beechworth Honey and the Vegemite is manufactured by Bega in Port Melbourne.

School Breakfast Clubs are supporting some of the vital ingredients to success in the classroom – concentration, engagement and behaviour.

IN 2018/19, WE HOPE TO SECURE THE FUTURE OF THE PROGRAM AND DEVELOP MORE INITIATIVES TO ENSURE ALL KIDS IN VICTORIA HAVE ACCESS TO HEALTHY FOOD.

THANK YOU FOR PROVIDING US WITH BREAKFAST IN THE MORNING. I LIKE COMING TO SCHOOL TO HAVE BREAKFAST, IT'S A GOOD START TO THE DAY.

DEMETRIOS, SCHOOL BREAKFAST CLUB ATTENDEE

COMMUNITY PROGRAMS

GETTING FOOD TO VULNERABLE VICTORIANS IS WHAT FOODBANK HAS BEEN DOING SINCE 1930.

IT'S THE SMALL THINGS THAT CAN REALLY MAKE A DIFFERENCE. MOVING INTO CRISIS ACCOMMODATION AND BEING SUPPLIED WITH AN ESSENTIAL HAMPER MAKES YOU FEEL LIKE SOMEBODY CARES. IT'S THESE THINGS THAT HELP KEEP HOPE ALIVE.

**EMMA, FORMER
RECIPIENT OF LAUNCH
HOUSING SERVICES**

THESE POP-UP MARKETS ARE FANTASTIC, BECAUSE EVERYTHING IS FRESH, IT KEEPS A LOT LONGER, AND IT'S NICE TO GET REALLY FRESH FOOD, AND FRESH MILK, AND ALL THAT SORT OF STUFF.

**GLORIA, RECIPIENT AT
A FARMS TO FAMILIES
POP-UP MARKET**

While a lot has changed in almost 90 years, our core ability to reach vulnerable Victorians wherever they live has always relied on collaboration with our peers in the charity sector.

In 2017/18 we worked with 459 charities across Victoria, ranging from neighbourhood houses and church groups to large service organisations such as the Salvation Army and Anglicare.

With varying food programs and levels of service delivery among our partners, our Community Development Team has also started piloting targeted programs to fill identified gaps.

In 2017/18 we continued to roll out our Farms to Families pop-up market program, which provided 3000 families with enough fruit and vegetables to last them a week. Thirteen markets were held in collaboration with partners in Doveton, Ascot Vale, Hoppers Crossing, Colac, Morwell and Mulgrave. Each market distributed an average of 5,175 kilograms of nutritious fresh produce.

These markets are made possible with funding from corporate partners and philanthropic trusts. Our thanks go to Peters Ice Cream, Bulla Dairy Foods, The Jack Brockhoff Foundation, Moonee Valley City Council, Ford, Asaleo Care and The Aaron Sansoni Foundation for their support in 2017/18.

In June 2018 we announced a pilot program in collaboration with Launch Housing – one of Melbourne's leading homelessness organisations.

With rates of homelessness and waiting lists for public housing at an all-time high, our Essential Pantry program aims to relieve pressure on people transitioning into 600 of Launch Housing's crisis and transitional accommodation sites.

New tenants receive hampers filled with staple food items as well as personal hygiene items, generously donated by our partner Asaleo Care. Each hamper is valued at \$245.

IN 2018/19 WE HOPE TO PROVE THE BENEFITS OF THE ESSENTIAL PANTRY PROGRAM SO IT CAN BE ROLLED OUT MORE WIDELY. WE WILL CONTINUE TO SEEK FUNDING SO WE CAN HOLD MORE FARMS TO FAMILIES MARKETS TO ENSURE DISADVANTAGED COMMUNITIES HAVE ACCESS TO FRESH, NUTRITIOUS PRODUCE. AND WE WILL CONTINUE TO WORK CLOSELY WITH OUR CHARITY PARTNERS TO SUPPORT THEIR FOOD RELIEF EFFORTS.

COMMUNITY SUPPORT

WHILE DEMAND FOR FOOD RELIEF IS ON THE RISE, SO TOO IS THE PROFILE OF FOOD INSECURITY, FOOD WASTE AND FOODBANK.

“

I FEEL REALLY ACCOMPLISHED WHEN I VOLUNTEER AT FOODBANK. IT'S SO HANDS ON AND I GET TO SEE THE REPRESENTATIVES OF SO MANY CHARITY ORGANISATIONS PICKING UP FOOD. YOU CAN SEE THE DIRECT IMPACT, YOU CAN SEE HOW IT'S HELPING RIGHT IN FRONT OF YOUR EYES.

”

KATELYN, VOLUNTEER

I ASKED MUM IF WE COULD THINK OF SOME IDEAS OF HOW I COULD HELP THEM. AND SHE SAID I COULD EARN 50 CENTS A CHORE AROUND THE HOUSE AND I COULD ASK NONNA AND PA FOR SOME BIRTHDAY MONEY TO USE FOR IT AND ALSO DO SOME BUSKING.

LUIGI, 10, DONOR

Increased awareness of Foodbank enables us to engage and inspire individuals and communities to help make a difference.

In 2017/18, a total of 2189 individuals donated 25,852 hours of time at our Yarraville warehouse, Farms to Families pop-up markets and at community events. This gift of time is valued at almost \$700,000!

In July 2017, volunteers and fundraisers joined Team Foodbank for Run Melbourne, raising \$28,556 to support our work.

In October we held the inaugural Cans Film Festival with the Sun Theatre Yarraville. The weekend of food-inspired films and surrounding promotion resulted in hundreds of donated canned foods.

Our financial donors continued to respond to our appeals. While Christmas 2017 was the biggest response we'd ever seen to a direct mail appeal, at tax time this was surpassed again – highlighting the public's willingness and desire to support our work.

In January our hearts burst when we met Luigi. The 10-year-old had read our Christmas appeal letter about a Victorian family struggling with food insecurity. Wanting to help, Luigi set about undertaking additional chores at home, busking with his brother and collecting all his birthday money. His donation (totalling \$324) and inspiring kindness resulted in interviews with the Il Globo newspaper and Rete Italia radio.

In March we held our first corporate cycling challenge to raise funds. The Hunger Ride took place on 3 March, with six teams and 21 riders battling brutal heat to complete the 170-kilometre course from Beechworth, up Mt Buffalo and back. In total, \$61,213 was raised – with Team Skybus racing to the front of the fundraising pack with \$27,651 in donations.

In March we teamed up with the Essendon Football Club and Energy Australia for the Goals To End Hunger campaign. At every Bombers' home game during 2018, Energy Australia has pledged to donate 200 meals for every Bombers goal.

In April we announced our partnership with ABC Radio Melbourne after being selected as their chosen charity for 2018. The news coincided with the launch of our Rumbling Tummies report and an outside broadcast with Mornings and Conversation Hour presenter Jon Faine at Doveton College – one of the schools participating in our School Breakfast Clubs program.

IN 2018/19, WE HOPE TO ENGAGE MORE PEOPLE IN THE ISSUE OF FOOD INSECURITY AND PROVIDE THEM WITH THE KNOWLEDGE AND TOOLS TO HELP FIGHT HUNGER AND FOOD WASTE.

AS DEMAND FOR FOOD INCREASES, WE ARE FACED WITH THE CHALLENGE OF SOURCING MORE FOOD AND HAVING THE RESOURCES AND CAPACITY TO STORE, PICK, PACK AND TRANSPORT IT.

“

FOODBANK'S CRITICAL TO WHAT WE DO. WE COULDN'T DO WHAT WE DO WITHOUT FOODBANK.

”

LESLIE, CHARITY PARTNER REPRESENTATIVE

In 2017/18 we were able to increase the volume of food donations by 8 per cent, expand our warehouse racking space by almost 25 per cent, make improvements to our online ordering system for charities, and transition to a new freight provider for regional deliveries.

In June 2018, we installed 357 solar panels on the roof of our main distribution centre in Yarraville. The 100kW system will generate around 40 per cent of the site's total power usage – allowing us to redirect cost savings into food distribution. This was made possible through a grant from the Australian Department of the Environment and Energy, which helped to fund approximately half of the project.

IN 2018/19, WE HOPE TO FIND INNOVATIVE WAYS TO EFFICIENTLY AND EFFECTIVELY SOURCE AND DELIVER MORE FOOD TO MEET INCREASING DEMAND.

“

IT'S GOBSMACKING TO SEE HOW MUCH FOOD COULD GO TO WASTE AND IT'S NOW BEING DISTRIBUTED TO PEOPLE WHO NEED IT.

”

DO YOU SHARE IN OUR VISION OF HEALTHY FOOD FOR ALL? SUPPORT US TODAY.

No child, and no adult, should be going without food in Australia. You can support us in the following ways:

FUNDS

All donations to Foodbank support our food relief and program development work in Victoria. Donations over \$2 are tax deductible. Make a donation on our website or call.

FOOD

If you're in the food industry, talk to us about the benefits of becoming a food donor. Call or email us.

If you're an individual, or part of a workplace, school or community group, hold a food drive to collect and donate much-needed pantry staples and hygiene items. Visit our website for details.

VOLUNTEER

We can't do what we do without volunteers. More than 25,000 hours are donated by generous individuals and corporate groups every year. If you have some time and want to contribute in our warehouse, at our pop-up markets or community events, visit our website for details.

PARTNER

If you're an organisation looking to give back, talk to us about partnership opportunities. Our partners are extended members of the Foodbank family and we are committed to nurturing these relationships to achieve positive outcomes together. Call us to discuss.
