ANNUAL REVIEW 2016**

# **WHAT IF THERE WERE NO FOODBANK?**

**FIGHTING HUNGER  
IN AUSTRALIA**

# FOODBANK CHAIRMAN AND CEO REPORT FOR 2015/16

Many years of hoping, planning, wishing and a lot of very hard work, all came together with the new Distribution Centre being operational from 25th October 2015. The Official Opening was performed by His Excellency General The Honourable David Hurley AC DSC (Ret'd) Governor of NSW and Patron of Foodbank NSW & ACT Limited on December 16th 2015 in the presence of The Honourable Mark Speakman SC – Minister for the Environment & Heritage, Julie Owens MP, Member for Mulgoa deputising for Family & Community Services Minister, The Honourable Brad Hazzard and local Blacktown MP John Robertson.

Even though the new facility was only open for 8 months of the year it enabled increased volumes of product such as:

- Total distributed volume 6.54 million kg or 11.775 million meals provided to charities across NSW and the ACT. This is an increase of 13% from last year of 764,000 kg or 1,375,000 meals
- Fresh produce and groceries distribution represented a \$58.9 million saving (retail value) to the welfare agencies, community groups and Government Agencies. This contribution allows the groups to invest more on support services to address the root cause of hunger.
- The number of agencies assisted during the year was 498 including 90 new members.
- Waste Not Want Not in the Riverina has been operating for 5 years and this year in combination with donated supply from the Flemington Fruit & Vegetable Markets total tonnage was up 332,000 kg or 664,000 meals.
- Total staple foods available was up 15% (1,183,000kg) on last year which equates to 2.4 million meals.
- Purchased food continues to grow with \$1,174,000 spent this year up from \$678,000 last year and this was the result of increased demand for protein products.

The work of Foodbank Australia in securing Federal Government funds for Milk and the Key Staples program is greatly appreciated. Fixed Federal Government funding for the next 2 years of only \$750,000 per year will continue to put pressure on the supply of staple products and if this is not increased the need to raise funds at State level will need to dramatically increase.

A special thanks to Enzo Allara AO the recently retired Chair of Foodbank Australia for his dedication and support plus a big welcome to Tony Froggatt the new FBA Chair.

The agreement in place with NSW FACS for the transport to NSW country charities has one more year to run. This subsidy is supplemented by a charge to the charities to offset the transport cost shortfall.

With the greatly increased chiller and freezer capacity much higher rescue levels of produce are achieved and in line with the EPA milestone commitments we made in our grant applications. Milestone 1, 2 & 3 targets have been achieved and the final milestone 4 is due in December 2016.

The new DC is fully functional and all special design features are operating as planned.

## WHAT A WONDERFUL YEAR GREAT MODERN NEW HOME RECORD MEALS SUPPLIED - A WHOPPING 11,775,000 MEALS

Warehouse "B" of 2,000 square metres has been leased out until August 2017 as this was not needed initially and this has provided welcome income for 5 months of this year and will do so for all of the new financial year.

An increased emphasis is being placed on PR, Marketing & Digital Media to raise funds along with lifting our overall profile to the public and corporate sponsors. A further push with Fundraising will take place in the new financial year.

Volunteer numbers are strong with enthusiastic support from Corporate Volunteer groups. Managing large number of volunteers needing constant attention and review has necessitated us to appoint a permanent Volunteer Coordinator.

Managing many people in the new Distribution Centre is much easier and we are now able to engage increased volunteer numbers.

KPMG continue to supply pro-bono Accounting and Auditing Services and this is greatly appreciated.

We sincerely thank His Excellency General the Honourable David Hurley AC DSC (Ret'd) Governor of New South Wales (Our Patron) for the ongoing Vice-Regal support.

In conclusion we wish to thank our Volunteers, Staff and Directors for their dedication and support as without their combined efforts Foodbank NSW & ACT could not possibly operate.

**“Being on a single pension is challenging. If it wasn’t for Foodbank I wouldn’t be able to eat fresh fruit, vegetables, bread and milk every day.”**

**FOODBANK IS  
AUSTRALIA'S  
LARGEST FOOD RELIEF  
ORGANISATION  
ACCOUNTING FOR  
75% OF ALL FOOD  
DISTRIBUTED**

## **WHO IS FOODBANK?**

Foodbank acts as the conduit between the food industry and charities to distribute food to the needy. In the past year Foodbank distributed 6.54 million kg of food helping over 129,000 families and singles every week.

**OUR AIM IS TO END  
HUNGER IN NSW &  
ACT BY PROVIDING  
QUALITY FOOD TO  
PEOPLE IN NEED.**

## **WHAT HAS **FOODBANK** SET OUT TO DO?**

Over the past 7 years we built up financial reserves to enable us to build a new distribution centre of sufficient size to service the needy for the next 20 years.

Our challenge now is to increase throughput and lower the cost of food to charities.

**"Thank you for the  
yummy food that you gave  
to my school breakfast  
club. Your food has helped  
me to learn and become  
smart at school."**

**Sarah**

**"Having access to fresh produce helps provide healthy meals to the people we serve everyday."**

**Jenny**

**FOODBANK  
DISTRIBUTES FOOD  
THROUGH OVER 498  
CHARITIES PROVIDING  
OVER 11,775,000  
MEALS LAST YEAR.**

**WE SOURCE  
FOOD FROM THE  
AUSTRALIAN FOOD  
INDUSTRY, RETAILERS  
AND FARMERS.**

## **HOW DOES** **FOODBANK** **OPERATE?**

While donated food remains the key source of food, as we grow this must be supplemented with purchased goods.

Charities are facing increasing demand. Foodbank charges a small handling fee. Our aim is to reduce this to nil.

**IN 2016 FOODBANK  
DISTRIBUTED 6.54  
MILLION KG WHICH  
EQUATES TO 11.775  
MILLION MEALS.**

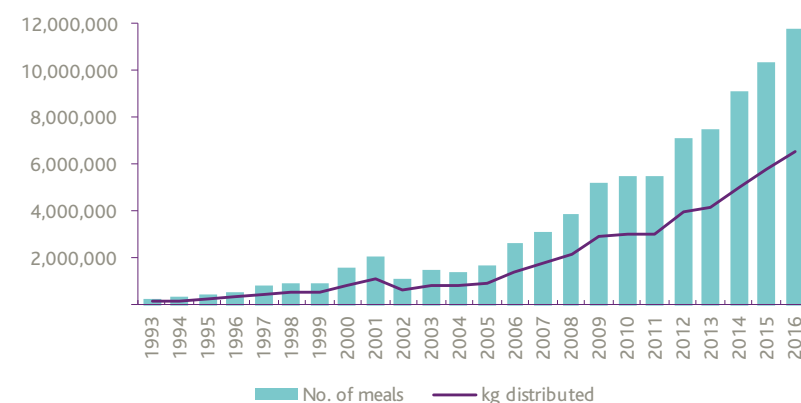

**WE ALSO COMPLETED  
BUILDING A NEW  
DISTRIBUTION  
CENTRE 17 MILLION  
KG EQUATING TO  
MORE THAN 30  
MILLION MEALS.**

## WHAT HAS **FOODBANK** ACHIEVED?

Foodbank is in an excellent financial position with total assets of \$16.7 million.

This provides a base from which to grow our distributed food from 6.5 million kg to 17 million kg equivalent to more than 30 million meals.

**Total kilograms and meal equivalents delivered in  
NSW & ACT since establishment in 1992**

Some of our dedicated support staff (from left): Nicole Cooper, Kaye Hamblion, Andrew Wong, Carol Springett, Jo-anne Byers

**"I love my family and the worst thing is knowing that I can't always put food on the table for them. I have only been able to find casual work after being made redundant last year."**

**Ben**

**FOODBANK HAS BUILT AND FINANCED A NEW FOOD DISTRIBUTION CENTRE CAPABLE OF HANDLING UP TO 17 MILLION KG PER ANNUM.**

## **WHERE DOES **FOODBANK** GO FROM HERE?**

The challenge is to increase throughput by two and half times over the next five years. This will necessitate raising funds to purchase significantly more food than we currently do.

We must therefore establish reliable recurring funding to meet our objectives.

If we are to achieve our goal of eliminating hunger in NSW and ACT, we need individuals and corporations to help us through regular giving programs.

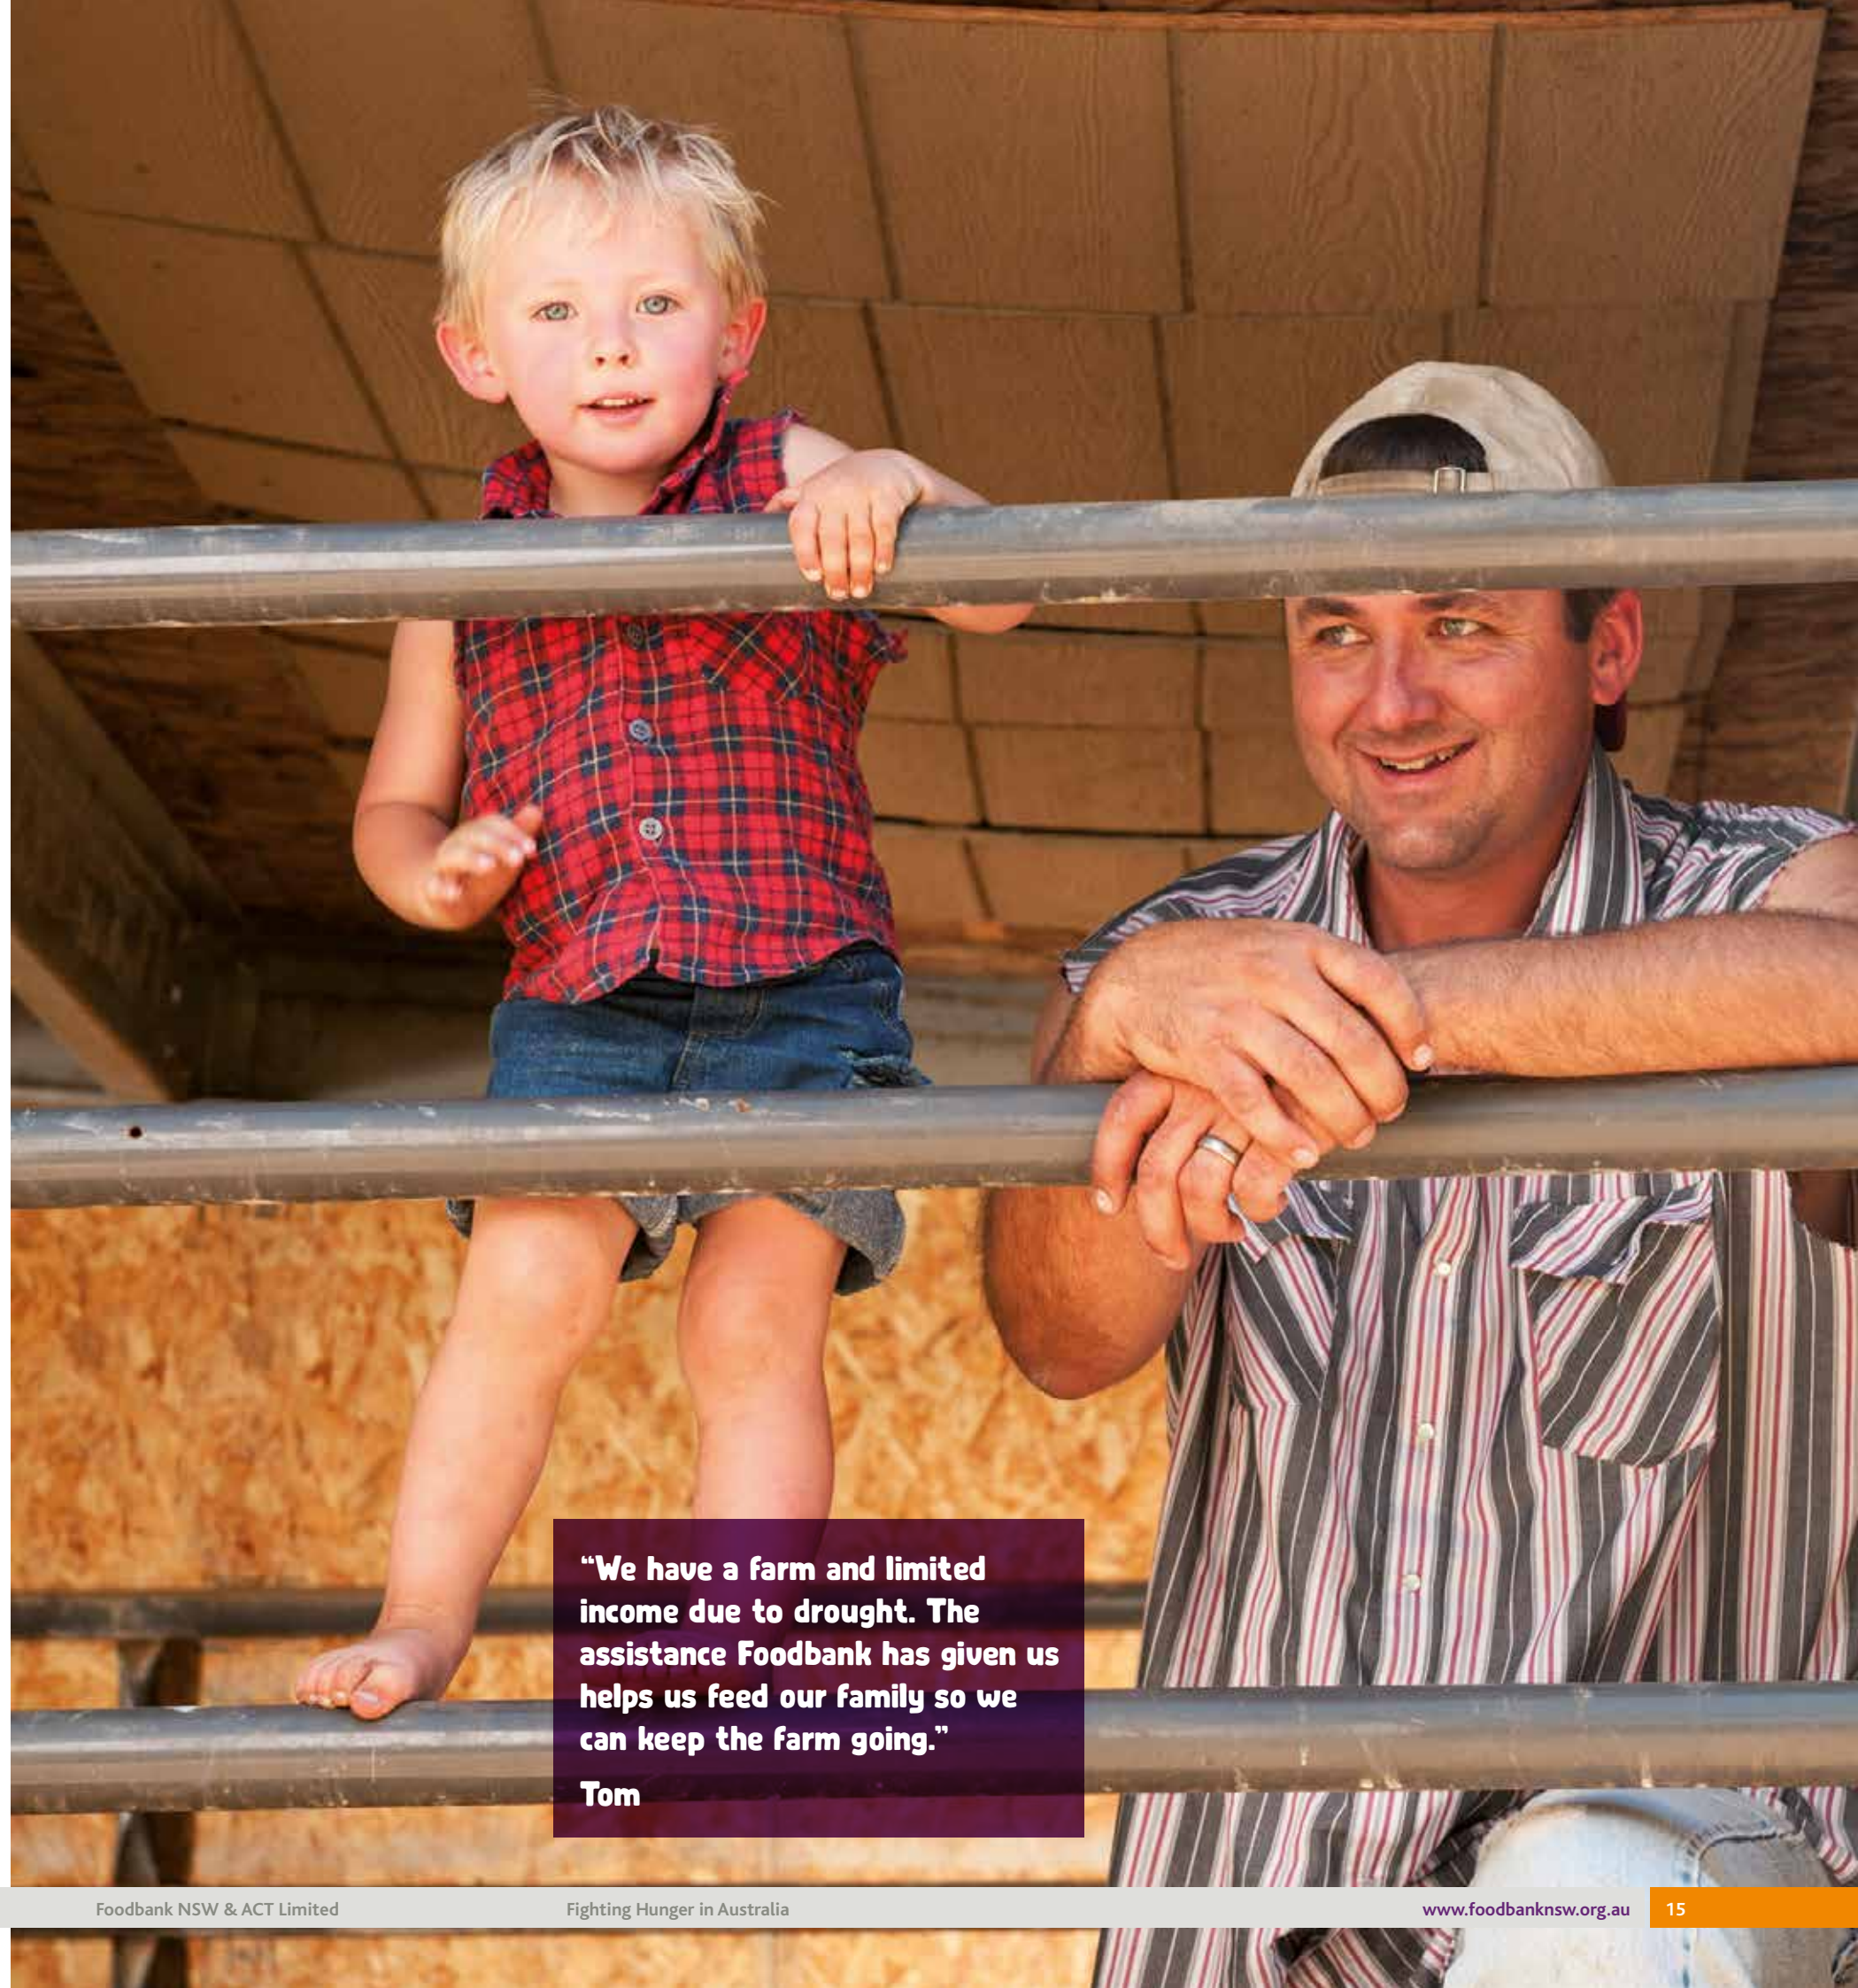

**FOOD  
MANUFACTURERS,  
RETAILERS AND  
FARMERS ALL DONATE  
KEY STAPLES AS  
WELL AS ONE OFF  
SURPLUSES.**

**THIS IS INCREASINGLY  
BEING SUPPLEMENTED  
BY PURCHASED FOOD.**

## WHERE DOES **FOODBANK** SOURCE ITS FOOD?

Without Foodbank over 33 million kg of good food would have gone to landfill in the last year in Australia.

Every week we distribute 15,000 loaves of bread, 6000 litres of milk as well as 40,000 kg of fresh fruit and vegetables.

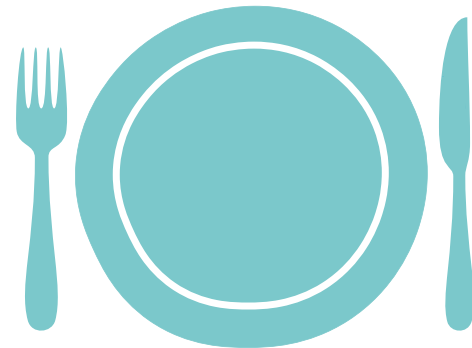

**"We have a farm and limited income due to drought. The assistance Foodbank has given us helps us feed our family so we can keep the farm going."**

## WHO HELPS US MAKE IT ALL HAPPEN?

This year, more than 3200 volunteers donated over 15,000 hours of work.

Our volunteers tell us that volunteering with us keeps them active, helps them train for new careers, makes them feel like they belong to something important, and provides them with a meaningful way to build their teams.

**WE NEED YOUR

OUR FOOD RELIEF

## **HOW CAN YOU ENJOY YOUR FOOD, WHILE OTHERS DON'T HAVE ANY FOOD AT ALL?**

Foodbank's plan to increase throughput to 17 million kg requires ongoing funds of \$3 million per annum.

To date, Foodbank has grown from charging a small handling fee and some major "one off" donations, however must develop a more sustainable income stream.

**Last year 2 million Australians needed food relief with a third of them children. Your financial support of Foodbank will help us fight hunger and feed hope for those doing it tough.**

**IN AUSTRALIA  
NEARLY 3 MILLION  
PEOPLE LIVE AT  
OR BELOW THE  
POVERTY LINE.**

**OVER 700,000 OF  
THEM ARE CHILDREN  
UNDER 15.**

## **IT'S NOT ALL ABOUT HELPING THE HOMELESS.**

For many people in Australia food has become a discretionary spend. After paying rent, electricity and transport, many low income families have very little left for food or clothing each month.

One "emergency bill" for health, a car repair, sickness or loss of job often results in a family going hungry.

**Imagine not knowing where your next meal will come from - or stretching out a meagre food cupboard that simply doesn't provide adequate nourishment for your family.**

**This is the reality that thousands of Australians wake up to every day. The face of hunger is diverse - male, female, young and old, single and in families, students, employed and unemployed, as well as retired people.**

FOR THE YEAR  
ENDED 30 JUNE 2016  
FOODBANK ACHIEVED  
A TOTAL NET SURPLUS  
OF \$310,710.

WE HAVE A STRONG  
BALANCE SHEET  
WITH NET ASSETS OF  
\$11.9 MILLION AND NO  
BORROWINGS.
