

Foodbank SA's School Breakfast Program

Foodbank South Australia's School Breakfast Program provides nutritious food to students in need and is delivered to over 550 school programs across the state.

The life-changing program is in high demand and delivers breakfast items and fruit snacks free of charge to schools across regional and metro South Australia.

Support for the program is monumental in ensuring nourishment and sustenance for students of all ages who would otherwise attend school hungry.

Funds raised by Credit Union SA's Community Banking Partnership will help provide vital support for Foodbank SA to increase the reach and impact of the School Breakfast program.
