Are you ready to make a difference by helping Foodbank Victoria turn purpose into impact as our Grant Writer?

We're seeking a skilled and passionate Grant Writer to play a key role in securing vital funding that supports our mission of ensuring healthy food for all Victorians.

In this role, you'll research, develop, and submit grant proposals to philanthropic trusts, foundations, government and other funding sources. If you're driven by purpose and have a talent for storytelling through funding applications, this is an opportunity to make a meaningful difference.

Who is Foodbank?

Whether it's everyday emergencies or in times of crisis, Foodbank Victoria has been providing vital food relief to vulnerable Victorians for over 95 years. We deliver food to people who need it in three different ways: in partnership with our charity partners, through schools and via our regional Community Food Centres.

Across our network of over 450 charity partners and 1400 schools throughout Victoria, we have distributed over 25.1 million meals in the last 12 months and are currently feeding 76,000 Victorians a day.

While supporting our charity and school partners is at the core of what we do, as the state's dedicated emergency food relief organisation, we're also here to assist Victorians through natural disasters, pandemics and the 'invisible disaster' caused by the ongoing cost of living crisis.
