February 2023

---

We are seeking a community-minded safety professional, passionate about driving a safety-first culture, to help guide our teams to ensure safe working environments.

## About Us:

Foodbank Victoria is an independent not-for-profit organisation with 90 years' experience providing food relief to individuals and families experiencing hardship. We are the largest provider of food relief in Victoria. Our vision is healthy food for all Victorians.

Annually we distribute the equivalent of 18 million meals across metro, regional and rural communities. We work with a network of over 900 corporate and community partners to source and distribute food with the aim of helping to improve the lives of Victorians that need our support.

## Why we're right for you:

You'll join a passionate and creative team based in Yarraville, Melbourne where the village vibe, art deco dwellings and coffee culture are legendary. Our mission is critical, our vision is bold, and our marketing plans are ambitious. You know that cliché 'no two days are the same'? Ours is more like 'no two hours are the same.'

## What you'll do:

- Champion safety and be a role model of the Foodbank Victoria's positive safety culture.
- Use your knowledge of safety legislation and best practice to influence cultural change and deliver sustainable improvement in safety performance.
- Drive the review and improvement of our safety management systems and processes, including operations safety procedures, incident management & disaster response planning.
- Develop, implement, and maintain our health and safety systems to allow us to maintain our high standards in health and safety.
- Collaborate with department managers to design and deliver Health & Safety content and training, practical to each team's specific needs.

## Why you're right for us:

- Passionate about our vision of healthy food for all.
- Able to live and breathe our values of empowerment, accountability, integrity, equality, diversity and respect.
- Qualification in WHS or equivalent experience, preferably in a warehousing or logistics environment.
- Sound understanding of Victorian Occupational Health and Safety regulations and Acts, including WorkCover and how to implement into organisation practice.
- Ability to work in a 'hands on' role and get the job done.
- Collaborative and inclusive working style with a solutions-focus.
- First Aid Qualification would be ideal

## We can offer you:

- Access to salary packaging benefits to increase your take home pay
- Staff satisfaction rates above 80%
- An organisation focused on employee wellbeing
- Supportive team environment that embraces change and innovation
