Hit the Road with Us – Join Foodbank Victoria's Logistics Team! We are on the lookout for an experienced driver to work across our various programs and be a friendly, reliable face to Foodbank Victoria's suppliers and charity partners.

When you're not behind the wheel, you'll be based at our Brooklyn site, lending a hand in the warehouse – assisting with the storage and distribution activity, including manual handling tasks when required.

At Foodbank Victoria, we're growing to meet increasing demand for our services across the state. As we continue to expand our impact, we're investing in talented people who share our commitment to supporting Victorian communities.

Why Foodbank:

Whether it's everyday emergencies or in times of crisis, Foodbank Victoria has been providing vital food relief to vulnerable Victorians for 96 years. We deliver food to people who need it in three different ways: in partnership with our charity partners, through schools and via our regional Community Food Centres.

Across our network of over 450 charity partners and 1400 schools throughout Victoria, we have distributed over 25.1 million meals in the last 12 months and are currently feeding 76,000 Victorians a day.

While supporting our charity and school partners is at the core of what we do, as the state's dedicated emergency food relief organisation, we're also here to assist Victorians through natural disasters, pandemics and the 'invisible disaster' caused by the ongoing cost of living crisis.
