

Celebrating Our School Breakfast Program

More than 25 years of giving students a healthy start to the day

Our School Breakfast Program supports readiness for learning as well as physical, social and mental wellbeing with a healthy and nutritious breakfast.

We supply canned fruit, wheat biscuits, oats, Vegemite, canned spaghetti, baked beans and UHT milk free of charge. From Kalumburu and Kununurra, to Perth, Esperance, Albany, remote schools along the state border and everywhere in between.

During 2025 we...

Supplied
342,802
kilograms
of food to

562
schools

28,904
students

Travelled
692,594
kilometres
to deliver food to

136
towns and
communities

That's **1.8 times**
distance to the moon
Or **17.3 times** around
the Earth

With thanks to our generous Program partners:

State Government of Western Australia, Telethon, Lactalis Australia, Perth Markets Group Limited, a2 Milk, Talison Lithium.
We simply couldn't do it without your support.

Feed. Educate. Advocate.
